alumni

“Because my Humanities degree allowed me to study a variety of areas and subjects, I am often surprised at how well I can relate my degree to whatever job and degree I have sought since graduation.”

–*Rebecca Brazzale*

“As a Humanities major, I felt that I was in a constant state of discovery, whether of self, of other, of the divine, and so on. This program engendered an abiding intellectual curiosity and that has given me tremendous satisfaction in my personal and professional lives.”

–*Heather Jensen*
